**Why Serve as a Group?** When you lead your LifeGroup members in an outreach to our community, you are equipping them to fulfill their call as followers of Jesus. *(Mark 10:45)*

**What happens when people serve?** They discover that God can work through them to bless others.

**The on-going result?** Your group members will be bolder in witnessing and serving in their everyday lives! More people will come to know Jesus Christ!

**We invite all Victory Church LifeGroups to be an active part of carrying out the Great Commission by serving in our community once a semester.**

**General Guidelines:**

- Face to face service instead of donation of goods is recommended as it will more strongly equip your group members in sharing the gospel in their own lives.
- The following opportunities are available, but if you or a group member are connected with another organization or have another idea for serving, go for it.
- Outreaches by groups are funded by the group (Except for Norristown Breakfast. This is funded by the One Fund).
