

Summer group information is due no later than **Sunday, April 12** (the weekend after Easter). All group details must be submitted to:

www.getvictory.net/groupinfo

Here are some of my favorite ideas for summer groups:

- Activity groups. (Get out and get going! Walk, play pickleball, hike, play soccer, golf, paint, smoke meat, garden, local ice cream scene...)
- Curriculum based groups. (Check out some options at watch.studygateway.com Great biblical studies on Head Trash*)
- SOAP groups (Just Bible study using the scripture, observation, application, pray method)
- Sermon-based groups

What's your interest? What needs do you see? I can help you find a curriculum or idea! Please note that all study groups must use an approved curriculum.

Let's gear up for a great summer of spiritual life, health and growth with Victory Church!

We are better together!
